

# NIPPER BOARD HIRE SCHEME

If your nipper regularly attends Nippers and board training sessions, there is the opportunity to hire one of the club boards for the season —subject to availability.

While the preference is for competitors to own their board and care for it accordingly, there are a limited number of boards for hire.

**Cost:**

\$150 Nipper Foam Board / \$250 Nipper Fibreglass Board

**Damages to board:**

- If incident occurs at Nippers, Training or Carnival – costs will be covered by the club
  - It MUST be reported to Marty Ievers (JAC) ASAP
- If damages occur during personal use – Cost to be covered by member

Boards will be allocated with a number and that number allocated to the member for the duration of the season. There is an expectation that competitors in the Under 14 & 15 Age Group will own their own boards.

**BOARD HIRE SCHEME:**

I,..... abide by the following conditions:

- I agree to lease the following for 2016-2017 Season:
  - Fibreglass Nipper Board \$250 per season
  - Foam Nipper Board \$150 per season
- I will look after my board as if it were my own.
- I will wash the board down with clean water after each session.
- I will participate in weekly training sessions. (1) (2) (3) (Circle sessions you are aiming to attend).
- I will participate at Carnivals in the board discipline.
- I will report all damages to JAC as soon as they occur
