

Allstate Boat Licensing & Training Brisbane North.

Online assistance information

To access the online training please go to www.boatlicensing.com.au choose online training and follow the instructions for registration.

- You will be sent an email with a link to confirm your registration. If the link is not highlighted you will need to cut and paste the link to your address bar and press enter.
- You will then be taken to another page.
- If this page is displayed as a Dashboard page please click on the site Home button below the word Dashboard. (You may need to click on the 3 bar lines on the top left of the page to have Dashboard displayed).
- When you are on the home page scroll to the bottom of the page and select Qld Marine Licenses which is under Course categories, follow the prompts then go to the bottom of the next page and select the Qld. Boat Licence RMDL course or Boat & Jetski Licence (combined) or Qld. Jetski Licence (PWCL)
- You will then see Enrolment options with the course information for the course you have selected. Below the course information you should see Enrolment key, enter the location keyword which was shown in the email and follow the prompts. Once you have enrolled, you will be taken to the start of the course.

The online theory training will take a minimum of about four hours thirty minutes to complete. You can logon and off as required but the course must be completed prior to attending the course. Please let the videos load fully, watch the video then read any text information below the video. Ignore other videos which may be displayed below the video you are watching. Please do not try to jump ahead whilst proceeding through the online training and wait for the NEXT button to highlighted before trying tom proceed to the next section of training.

Once you have enrolled you can logon and off as required.
