

To the President of Rainbow Bay S.L.S.C,

I am writing to thank you for sending Rory Phelps, Luke Steel, Kaide Bowman and Kirra-Louise Bowman-levers to our Gold Coast Youth Development Camp from the 29<sup>th</sup> to the 31<sup>st</sup> of January 2021. The camp focused significantly on creating and developing the participants to be better team members to send back to their respective clubs. We expect Rory, Luke, Kaide and Kirra-Louise to return to your club as even better patrolling members, youth representatives and overall club members. The camp was held over two nights and included activities that enabled the participants to create team building and leadership skills, as well as present different pathways to become better lifesavers. A Q&A panel with some of the Gold Coast most decorated young lifesavers was held and as such we expect your youth members to return wanting to be put on such pathways to get them onto their desired paths. Should the club have any questions or feedback, do not hesitate to get in touch with myself or the Branch.

Furthermore, Rory, Luke, Kaide and Kirra-Louise are all enthusiastic and passionate young members, who are very dedicated to the organisation and Rainbow Bay. We would be more than happy to have them all back on any of our GCYD programs in the future and are excited to see them grow personally and within your club as future leaders.

Rainbow Bay should be very proud to have such passionate young members within your club.

Thanks,

Claudia Fien

Point Danger Branch Youth Development Officer
