Reference Your Name and date of course – 12/12/2020

/

RECEIPT If you need a receipt please let Peter know on the day and he can provide you one.
No invoices will be issued from PDB office

PRIOR You **MUST** complete the online learning **via** the link below – please note that this makes the day easier and quicker for everyone. If you do not complete this you **CANNOT** attend the course.

Please copy and paste either way - direct to the explanation -- <https://boatlicenceqld.com/#Signup>

Or via our website and follow the prompts for the online courses or look in the table on the left hand side of the page for “online licence courses or online boat licence courses” -

- http://www.boatlicensing.com.au/boat_licence_brisbane_northside_queensland/qld_boat_licence_brisbane_northside

One hint: Once you have typed in your email address and a password, it will ask for an enrolment key. Directly below will be our training locations of which you will copy and paste or type in **brisbane-northside** The system should then go directly to the boat, boat and ski then ski. Select the required course and away you go. You must gain 100% pass to receive notification to proceed. I might note here, by selecting brisbane-northside, I receive an email noting your

enrolment and once completed, received the second email of your pass. If you have a problem with enrolling, I suggest follow the prompts in the attached information sheet.

PRACTICAL The practical component consists of similar multiple choice questions of approximately half to an hour as in the online quiz but in the presence of our Assessor. This is to satisfy the Transport Dept. that you have actually done the online theory. **We conduct on the water, the boat practical of at least 1.5-2 hrs with other students in the class, then the ski practical of at least 30 minutes as a one on one with our Assessor.**

The practical assessments are to demonstrate your competency against the standards. When deemed competent the learner is issued with the Boat Safe Statement of Competency for the Boat and/or Ski Licence, required to make application to the Dept. of Transport for the individual licenses.

ATTACHMENTS Please find attached Boatsafe 6th Edition – this will be your reference material for the course. We strongly suggest reading this prior the online with a brush up prior the practical for your own benefit. These can also be provided in hard copy on the day if required.

OTHER Medical Disclosure Statement - It is a requirement of the Transport Operation (Marine Safety) Act 1994 that a licence candidate is to complete and sign a Medical Disclosure Statement. This declaration states that you have no medical or other impairments that would prevent you from discharging your general safety obligation to operate a Recreational Vessel or Personal Watercraft.

Please Note: A Medical Certificate issued to operate a Motor Vehicle is not Valid to operate a vessel.

The following provides some examples of medical conditions which may affect the safe operation of a vessel:

- vision impairment
- cardiovascular condition
- neurological disorders
- dementia or Alzheimer's disease
- moderate or severe sleep disorder
- hearing impairment
- psychiatric conditions
- respiratory disorder
- insulin dependent diabetes mellitus
- musculoskeletal conditions that impede mobility or agility

If you feel that you may have some medical condition which could prevent you from complying with these requirements you are advised to contact the [Boatsafe Administration Officer](#) of Queensland Transport, Maritime Safety on 07 3066 3881 to discuss the matter prior to commencing the course. The Medical Disclosure Statement will be provided on the day and must be signed prior to the issue of your Statement of Competency. Once the Training is completed there will be no refund offered if it is established that you do not comply with the medical requirements. Your Training Provider will not enter into any discussions on your Medical Condition other than to ensure the Medical Disclosure Statement has been signed.

COVID 19: We are still required to observe the distancing requirements 'as far as practicable' and as such it is mandatory to answer our questionnaire at the start of the class until restrictions are lifted. The health and safety of all is paramount and it is our collective responsibility - yours and Allstate Boat Licensing & Training Brisbane

North - to maintain a safe environment as best we can. If you wish to wear/bring additional PPE, you are welcome to do so.
We provide hand sanitiser and anti-bacterial wipes.

RSVP Please ensure that you have completed the online section and paid your fees by Wednesday 12th December 2020.

Please email peter.r@boatlicensing.com.au or phone 0428 98 1770 to secure your spot in this course.
